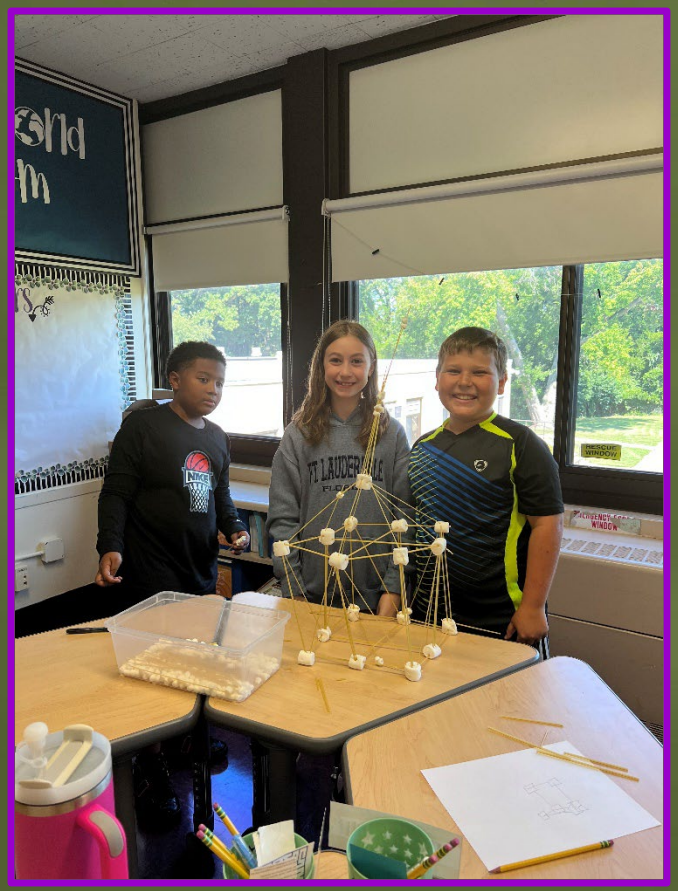
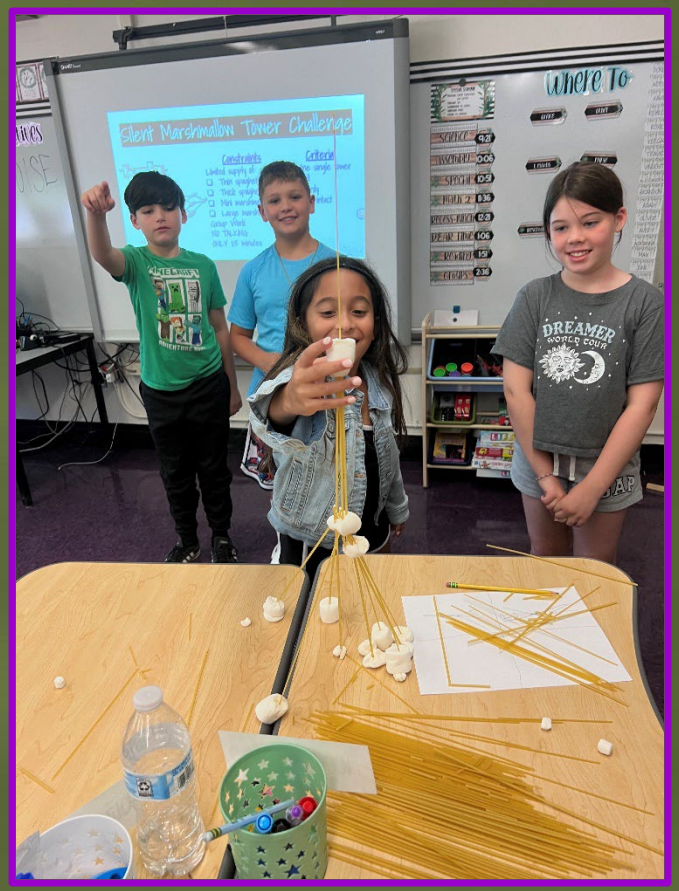
Ms. Vrachnas' 5th grade class tackled an exciting Marshmallow Tower Challenge, using their creativity and problem-solving skills to build the tallest structure while following specific criteria and constraints



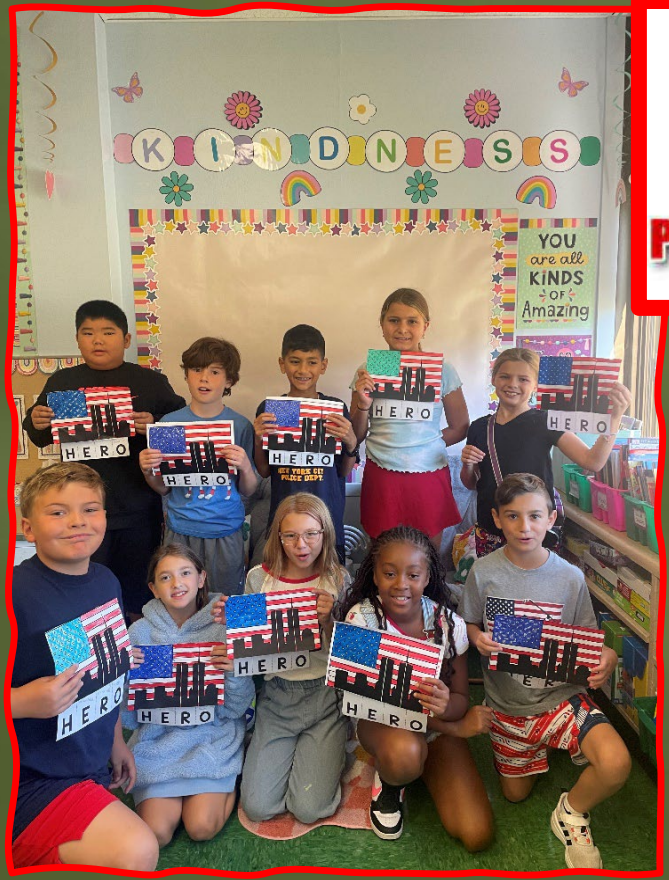


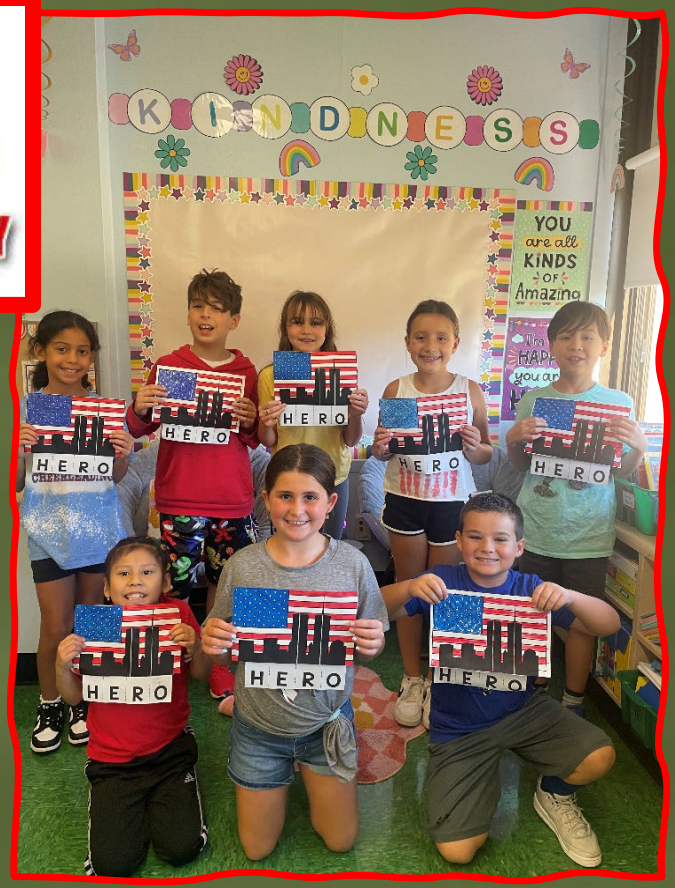
Library day is the BEST day for Mrs. McCarty's first graders because WE LOVE BOOKS!

Patriot Day at Lee Road!

Patriot Day at Lee Road!

Students in Ms. Sullivan's class observed Patriot's Day by learning all about heroic and brave individuals. Students then wrote about specific traits that makes someone a hero.





Ms. Boyd's class having fun learning about the Constitution!!

Students in Ms. Cascio and Mrs. Corso's kindergarten class celebrated Constitution Day by learning about the importance of rules! They discovered how the rules of our country, outlined in the Constitution, help keep us safe and fair—just like the rules they follow every day in their school and classroom.

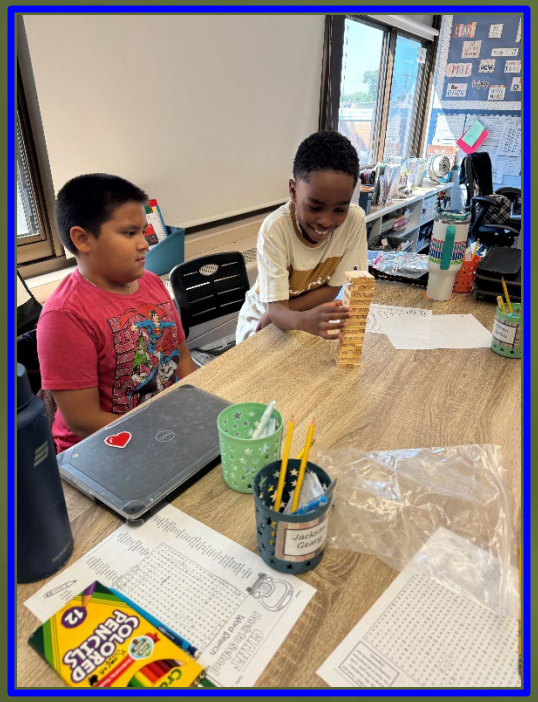
Mrs. Martinez' 3rd graders honored Patriot's Day by learning about first responders and heroes.

Mrs. Torre and Ms. Bischof's class learned about Patriot's Day and the heroes of 9/11. They read the story "Branches of Hope" and created their own Hero graphic organizers to describe what a hero means to them.

Mrs. Torre and Ms. Bischof's class learned about Patriot's Day and the heroes of 9/11. They read the story "Branches of Hope" and created their own Hero graphic organizers to describe what a hero means to them.

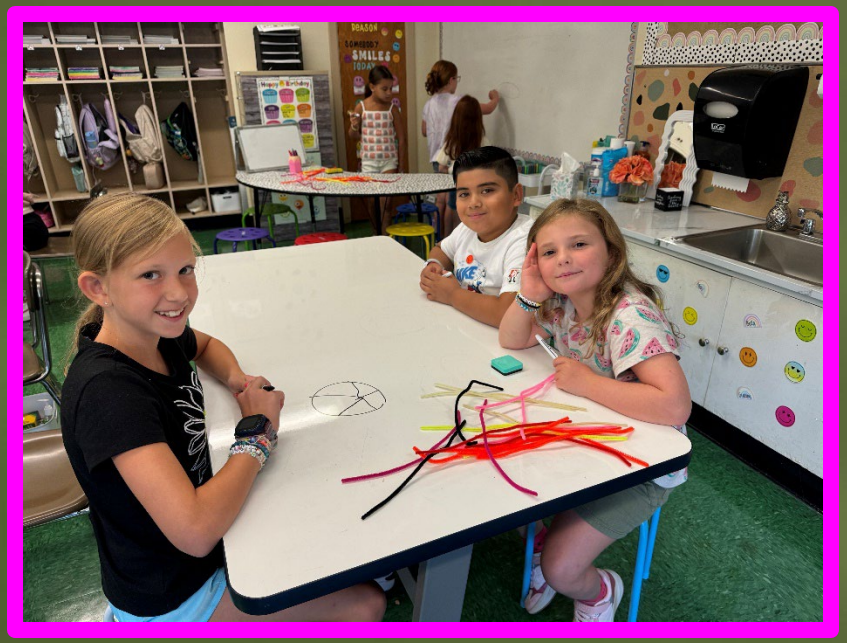
Mrs. Carione's 2nd grade class celebrated Patriot's Day by reading about the Constitution and making their own booklets. They also reviewed their Class Promises and rules.

Students in Mrs. Vogel's 5th grade class practice self-control and communicating silently by playing silent Jenga. Fun was had by all!

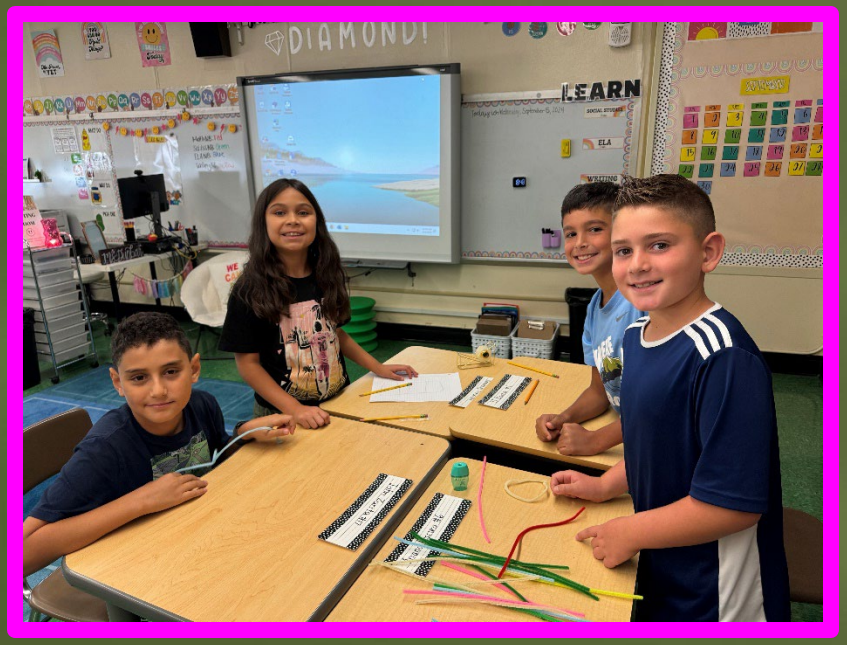


Students in Mrs. Vogel's 5th grade class practice self-control and communicating silently by playing silent Jenga. Fun was had by all!

Kicking off the school year with teamwork and creativity! Ms. Dunbar's 4th graders took on the challenge to build the tallest tower using only 20 pipe cleaners in 20 minutes. They showed awesome problem-solving skills and worked together like champs!!



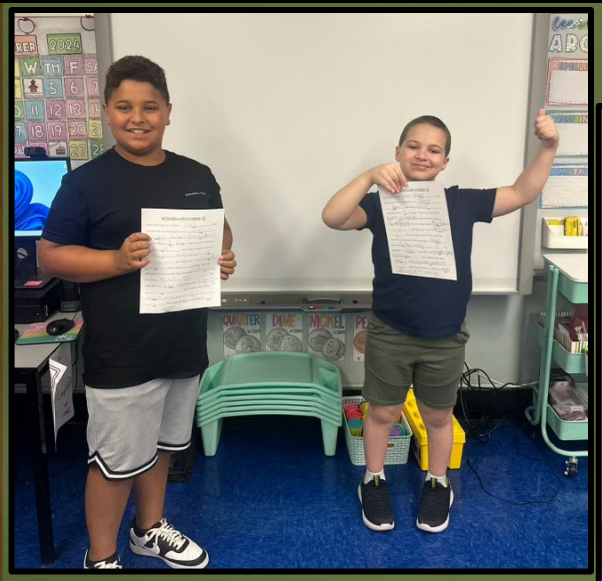
Kicking off the school year with teamwork and creativity! Ms. Dunbar's 4th graders took on the challenge to build the tallest tower using only 20 pipe cleaners in 20 minutes. They showed awesome problem-solving skills and worked together like champs!!

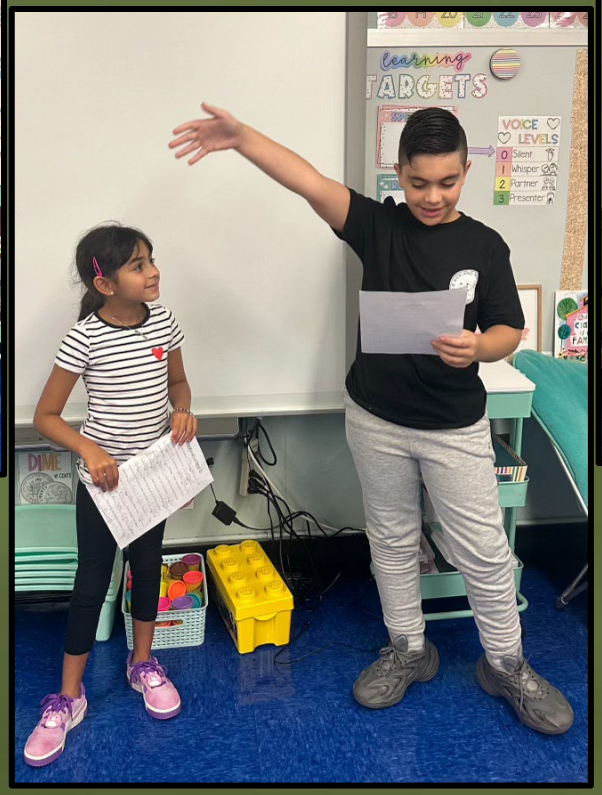


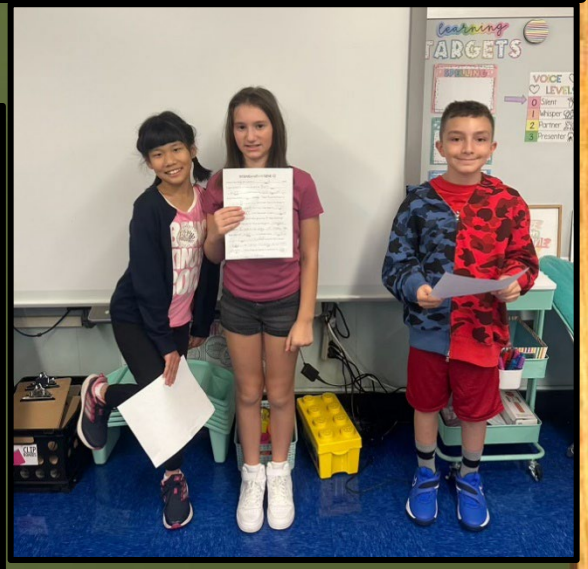
Mrs. Marek and Ms. Barbara's class had a super Fun Friday!!

Mrs. Quinn's class enjoying the start to their morning with a morning meeting!

Mrs. Ottomano's fifth graders interviewed their peers and presented in front of the class!







5th graders are starting off this school year by using mindful movements to foster community during their physical education classes. Using breathing strategies, visualizations, and yoga poses, students and staff alike will envision and communicate what our best school community would look like in the hopes of bringing it to fruition.
