

Capital Projects Update: Wisdom Lane Field Options

September 27, 2023

The previously approved 5 Year Capital Project Plan and associated community approved Capital Proposition includes updates to the athletic fields behind Wisdom Lane Middle School.

The plan is aligned with the 2023-2026 Strategic Plan:

4.8.4 Develop a plan for ongoing upkeep and improvements to District athletic facilities, including a review of usage of fields by all groups.

Current field behind Wisdom Lane

Plan:

Installation of Competition Track with a grass infield. Rehabilitation of Baseball field (through grant) and softball field: \$3,700,000

1. new 6 lane 400-meter track and field events
2. 10' high safety netting around inside edge of track
3. 30' high safety netting along West and North side of property line to prevent balls from flying into neighbor's yard
4. Elevated bleachers for 300-350 seating along with concrete pad
5. ADA concrete walk from parking area to concrete bleacher pad/ADA ramp
6. Football goal/soccer goal pack
7. Electric at 50 yard line for start/stop at track events
8. Drainage for track and field

Additional options

<i>Option</i>	<i>Additional Cost</i>
Replace grass infield with turf	\$700,000
Add three tennis courts	\$700,000
Add lights for track and field	\$1,000,000
