May 2019

Dear Parent or Guardian,

The Class of 2019 has distinguished itself with many athletic, academic and artistic achievements over the past four years. As we enter the final stretch of their career at Division Avenue High School, there is much we need to do in preparation to celebrate the Class of 2019's final send off.

At this point in the year the seniors will experience many celebrations with friends and family alike. This will be a time of exuberance and excitement, but will also be bittersweet as they move on to the next chapter of their lives.

In the midst of the excitement, I'm asking that we work together to take every opportunity to ensure our students' safety and be certain that they make sensible decisions over the next two months. There will be many events for the seniors that will present them with opportunities to thoroughly enjoy themselves, but also be pressured by societal influences to make risky decisions.

I would like to encourage you to take time and have a conversation with your child about the potential dangers that can be presented to senior high school students at this time of year, and to consider any consequences a violation of the code of conduct and law could pose. Please keep in mind that we do not sponsor, have no affiliation with, nor do we supervise any pre-prom or post-prom activities.

This being said, the Class of 2019 has demonstrated excellent character throughout the past four years and I have no doubt that they will finish their senior year in a dignified manner and with the utmost integrity. On behalf of Division Avenue High School, we look forward to celebrating their successes during this momentous time with you.

Sincerely

John Coscia

Please discuss with your sons and daughters the impropriety of bringing, tossing or throwing any unauthorized items during the ceremony. Instructions from chaperones and supervisors must be followed without exception. Students who are unruly will bring the exercises to a stop while they are removed. Any behavior aimed at detracting from the decorum of the ceremony may be subject to disciplinary consequences. We would like you and our seniors to be able to remember this day with great pride.

On Graduation Day, Saturday, June 22, 2019, all graduates will assemble (in alphabetical order) in the hallway located on the lower level in the Hofstra Arena at Hofstra University by 9:00 AM while their families and friends are being seated in the Arena. At that time, graduates will be given name cards and they will remain in alphabetical order.

Irvin Simon Photographers will be at the ceremony to photograph your child upon receiving a diploma. You will receive four free wallet size photos and an invitation to order duplicates.

Social Host Law

On July 17, 2007, the Nassau County's Social Host Law, (Local Law 13), was signed and made part of the Nassau County's Miscellaneous Laws by the County Executive. This law serves to deter the consumption of alcoholic beverages by minors at private homes. Underage drinking is a significant societal problem that causes concern for our communities. House parties are a common occurrence particularly during summer months when school is not in session. Attached are excerpts of Local Law 13 for your information and review. Please utilize this document to increase your awareness regarding your responsibilities when hosting a party or social gathering in your home.

LOCAL LAW NO. 13 -2007

A LOCAL LAW in relation to preventing the consumption of alcohol by minors at private homes.

§4. Unlawful consumption of alcohol by minor at a residence.

a. It shall be unlawful for any person over the age of eighteen who owns, rents, or otherwise controls a private residence, to knowingly allow the consumption of alcohol or alcoholic beverages by any minor on such premises or to fail to take reasonable corrective action upon learning of the consumption of alcohol or alcoholic beverages by any minor on such premises. Reasonable corrective action shall include, but not be limited to: 1) making a prompt demand that such minor either forfeit and refrain from further consumption of the alcoholic beverages or depart from the premises; and 2) if such minor does not comply with such request, either promptly reporting such underage consumption of alcohol (to the local law enforcement agency or) to any other person having a greater degree of authority over the conduct of such minor.

§6. Effect on other laws. The provisions of section four of this local law shall not in any way affect the application of any other law, where appropriate, including but not limited to New York Penal Law section 260.10 (endangering the welfare of a minor) and section 260.20(2) (unlawfully dealing with a child).
