Parent Boosters

Graduating High School is a milestone in everyone's life. Celebrate your child's achievement with a special message in the school Yearbook. For just **25 cents PER word** you can customize a message for your child.

If you would like to purchase a booster, you can do so online through the school's website beginning the first week of school. Once your message has been accepted, you will receive an email regarding payment information.

Parent Boosters are due online no later than Friday, November 17th.

Once the link closes, we will no longer be able to accept parent boosters.

Parent Advertisements

Yearbook ads let your child know how proud you are, in a lasting and memorable way. Select some of your favorite photos, choose a layout, add your personal message, and you're in!

*Prices depend on what size page you choose

**Unlike Parent Boosters, Parent Advertisements are bought directly through Jostens. For more information regarding Parent Ads, please visit Jostens.com

Personality Pages

All Personality Pages will be accepted electronically through the school's website beginning the first week of school. Once completed, you will receive a confirmation email. After you receive the confirmation email, you will then be asked to submit a Personality Picture in a JPEG Format. If an acceptable picture is not received on time, your senior portrait will be used instead.

All Personality Pages are due no later than Friday, November 17th.

After this date, the link will close and pages will no longer be accepted.

***Please note that the yearbook staff will not include any information or pictures that are deemed inappropriate.**
