Shared Decision Making Team Minutes

May 19, 2016

1. Team discussed last details for Math Night on May19, 2016
2. Team brainstormed ideas for next year. Some items discussed were: competitive Field Day, study tips for students and parents, ways to motivate students, and ways to encourage parents to come out for Academic Parent Workshops.
3. Parents and staff will enlist additional ideas from the community and school to implement for next school year.
