TEAM UP! SUPPORT THE PTA *and our children!*

PTA'S TOP TEN REASONS:

- 1. Benefits your child.** Research shows that children perform better when parents are involved both at home & school
- 2. You'll get connected.** There's no better way to know what's going on in the school.
- 3. Tap into a network.** PTA connects you to other parents and teachers through meeting, events, & conversations, helping to build a sense of community.
- 4. Be a role model.** You'll be demonstrating to your child the importance you place on education and community involvement.
- 5. Witness improvement.** by getting involved in PTA you'll be part of the solution, helping to make positive changes.
- 6. Enriching the school.** Schools are becoming more dependent on parent groups, to provide support to teachers bringing in programs to their classrooms.
- 7. Help raise necessary funds.** The PTA fundraises to provide more educational services for children.
- 8. It's fun!** Members can help plan fun events, socials and get together that the whole family can attend.
- 9. Flexibility.** PTA is aware of our hectic lifestyle & there are many small ways parents can help and be involved in the PTA.
- 10. Make a difference.** Your voice on the State and National level matters, and can help improve the quality of education for your children.

PTA MEMBERSHIP FORM

By now everyone should have received their membership cards. If you didn't it's not too late to join! If by some chance you thought you paid please don't hesitate to call me and check. The PTA needs the support of parents and faculty to be a success. Our PTA dues makes it possible to provide many great programs and assemblies that are offered to our children throughout the year.

We encourage each parent, grandparents and even aunt/uncles to join as the children benefit greatly from your support.

Membership is \$7.00 per adult family member.
