Shared Decision Making Team Meeting

March 8, 2012

Science Fair Update: The committee decided that we should set-up the A.P.R. prior to dismissal. Mr. Carriero will make a plan for an alternate dismissal for that afternoon. Set-up will begin at 2:30pm on March 21st, and a number of parents offered to volunteer in helping with set-up. A schedule will also be made so that the student body will be able to view the Science Fair prior to lunch on March 22nd.

Arrival/Traffic: Mrs. Wink ordered signs that can be placed out in front of the school to help the flow of traffic during arrival. The committee suggested opening the doors about 4-5 minutes early to help alleviate the initial problems of crowding in front of the school. Mrs. Wink suggested that committee members come and observe the arrival to see if there are any other suggestions that may help with the safety and flow of arrival.

Festival of the Arts: Mrs. Frank will be coordinating the Festival of the Arts. The committee suggested that it would be best if the artwork was displayed outside the classrooms so parents would be able to view their children's work more easily.

Other: Family Zumba will be on March 27th at 7:00pm
