August 4th through 8th, 2014

We Connect The Dots Presents

CreatingSTEAM Student Conference

Exciting students, energizing teachers and empowering parents...

Our technology focused conference introduces an innovative learning experience to students, teachers, and parents. Re-energizing our communities through collaboration in teaching, and learning together.

"You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face.... You must do the thing you think you cannot do."

— Eleanor Roosevelt

Join the Student
Yammer Community
