

## Jonas E. Salk- R.I.S.E. School Climate Survey

- You are being asked to complete this survey as part of a project to help all members of the school community understand how students feel about our school.
- As you respond to each item, focus on your thoughts and feelings based on your personal experiences as a student at Jonas E. Salk Middle School.
- There are no right or wrong answers—we just want to know how you feel. Your responses will provide us with important information to help our school become even better.
- All your responses are anonymous. Do not write your name on the survey. This survey is voluntary.
- You do not have to answer any question if you do not want to, but we hope you will answer as many questions as you can.
