Dear Parents of Sixth and Seventh Grade Students:

The Guidance and Counseling Department has begun the scheduling process for the 2020-2021 school year. In the next few weeks, your child will have the opportunity to electronically select a class. The courses they may select are described below:

**Sixth Grade Students** will hear from members of the World Language Department on course options in French, Italian and Spanish. Students will then electronically select one language to study in grades 7, 8, 9, and 10.

**Seventh Grade Students** will select one Art/Music elective: Art 8, Band 8, Chorus 8 or Orchestra 8. Music is usually based on the course they are presently taking.

Information regarding the course your child selected will be available on the Parent Portal. If changes need to be made after the selection process is completed in school, you may call your child's counselor. More information regarding the selection process will be discussed at the Parent Information Night on Thursday, January 16, 2020.
