August 2022

Dear Parents/Guardians:

Greetings to each of you! On behalf of the entire faculty and staff of Abbey Lane Elementary School, I welcome you to the 2022-23 school year! Each year, we look forward to the start of school with a great deal of anticipation and excitement. Rest assured, this year will be no different! At the time of crafting this letter, I am anticipating that the start to this school year will be more of what we were accustomed to prior to COVID. Please know that we maintain our commitment to providing a warm, safe and supportive learning community for all.

While the summer months have given you time away from the traditional routines and rigors of the school year, I know that our students still had many different opportunities to learn and grow. Whether it was a family vacation, camp, summer sports or just relaxing around the house, I hope that however you spent your time, it was enjoyable. The summer months afforded me the time to reflect on the previous school year and to plan and prepare for the year ahead. I also had the good fortune to spend some time away from the building with my wife and two children. Summer is always a great time to relax and recharge in preparation for the upcoming school year! Despite the challenges we have all faced over the past two years, we've found new ways to learn, grow and connect with others.

Please know that a great deal of time, consideration and planning has taken place to prepare our school for the 2022-23 school year. Be sure to review the information in this mailing carefully and feel free to reach out if you have any questions. While no plan can account for everything, I know that our blueprint for the start of the year and beyond will lead to success for all of our Abbey Gators.

Each school year offers our students the chance to start anew. Some of our children will have the opportunity to start their schooling for the very first time as kindergartners, while others return to build upon achievements made during the previous school year. No matter where or how our students are learning, all will have the chance to acquire new skills needed to be successful in school and life beyond the classroom. While supporting the foundations of learning, we will continue to promote one's ability to read for understanding, to communicate effectively and to think mathematically.

As we embark upon a new school year together, I once again ask for your patience, flexibility and support. We are partners in education and we are stronger when we work together. Your involvement and support is not only needed and vital to the success of all learners, but is also welcomed and valued. Feel free to contact me at any time should you have a question, comment or concern.

I look forward to seeing you all in the very near future and to the start of another AWESOME school year at Abbey!

Sincerely,

George Maurer, Ed.D.
Principal

Abbey Lane Elementary School

The first day of school for all students is **Tuesday, September 6, 2022**

ARRIVAL FOR WALKERS:

1. **Kindergarten** walkers can enter on the south side of the building through the gate and onto the path or from the back of the building off of Abbey Lane. Kindergarten students in Room 401 (Mrs. Trapani) and Room 403 (Mrs. Haering) will enter directly into their classroom by the back playground side of the building. The other 2 Kindergarten classes on that side of the building (Mrs. O'Sullivan and Mrs. Kennedy (fmrly. Ms. Connor) can proceed up the Kindergarten path or from the back playground side of the building and enter through the doors near their classrooms at the end of the hall by the APR. Mrs. Swint's class Room 302 will enter their room from the pathway leading from Gardiners Avenue (Please see map). Children should line up, remain supervised by an adult and wait to be brought in by Kindergarten personnel when our doors open at 9:04 am.
2. **Grade 1** walkers in Rooms 301 (Mrs. Kaufman) & 302 (K – Mrs. Swint) will enter through their classroom doors on the path from Gardiners Ave. Rooms 303, 304, 305 & 306 walkers will enter through the second set of doors on the south path before the APR room. (Please see map)
3. **Grade 2** walkers in Room 205 (Mrs. DiPalo) and 207 (Mrs. Boos) will enter through the north side doors under the canopy (200 Hall). Rooms 208, 210 & 212 (Mr. Schwartz, Mrs. Valentine and Mrs. Wenz) walkers will enter through the Main Entrance on Gardiners Ave.
4. **Grade 3** Rooms 405, 406, 407 & 408 (Mrs. Dionisio, Mrs. Blattberg, Mr. LoBosco and Ms. Cirrone) will enter through the rear doors facing the playground on the south side of the building.
5. **Grade 4** walkers in Rooms 505 and 511 (Mrs. Tuccillo and Mrs. DiPretoro) will enter through doors at the end of the 500 Hallway. Rooms 507 & 508 (Mrs. Schneider and Mr. Speranza) will enter through the door in Mrs. Schneider's room. (Door is facing the parking lot.)
6. **Grade 5** walkers will use the 500 hall exit near the 5th grade classrooms.
7. Supervision is provided starting at 9:04 a.m. **Children cannot be dropped off prior to 9:04 a.m. There is no supervision for students until 9:04. For safety purposes, doors are closed until 9:04 a.m.** The only exception is for students enrolled in our before school program, the **LAMP** program. (For more information regarding the **LAMP** before school child care program, please contact Mr. Gattus at 516.434.7400 or consult the Levittown website.)

8. Please attach the enclosed tag to your child's backpack so that it is visible. Please write "WALKER" in large bold letters on one side of the tag and indicate your child's name, teacher and room number on the reverse side.

ARRIVAL FOR STUDENTS TAKING A BUS:

1. Bus children will be met by staff members at the bus arrival locations and then directed to their appropriate entry point. Staff are stationed in hallways to further direct students to their classrooms.
2. Bus passes/tags should be attached to your child's backpack and visible at the time of boarding.
3. Safety for all students is our utmost concern. Behavior on the bus is expected to be appropriate. While on the bus, children are asked to find a seat, wear their seatbelts and remain seated for the duration of the ride. Students should not stand up, walk around or eat while on the bus. In order to ensure the safety of all children, bus drivers will report any student who does not follow the rules to the main office. Students who do not follow all bus rules may have a specific seat assigned to them or lose bus privileges.
4. Please attach the enclosed tag to your child's backpack so that it is visible. On one side please write **your child's bus number** in large bold print (e.g. BUS 321). On the reverse side write **your child's name, teacher, room number** and **your home telephone number**. This tag must be worn to facilitate our arrival and dismissal procedures.

DISMISSAL FOR WALKERS:

1. Walkers will be dismissed by teachers. Please meet your child/children in the designated locations. (See map.) We ask that children who will walk home independently do so immediately. Our goal is to have a safe and smooth departure from school for all students.
2. With a few exceptions, walkers will be dismissed from the same location they use for arrival. (See map.) If you have more than one child in Abbey Lane, you can request a "special walker pass" so that your older child can dismiss from the same door as your youngest child. Please contact the main office should you need a special walker pass.
3. Barring unforeseen events, the classroom teacher must receive any changes in your child's normal dismissal routine in writing. If someone other than yourself (or the person that traditionally picks up your child)

will be picking up your child, you must indicate their name in the note. **We will ask everyone for photo identification.** Please understand that this policy is in the best interest of your child's safety. If you must pick up your child from school, please come to the Security Desk at least 15 minutes prior to dismissal time (3:24) to sign your child out.

DISMISSAL FOR BUSERS:

1. All Kindergarten students will be placed on their buses by the Kindergarten staff.
2. All other bus children will report to designated locations in the hallway at the end of the day.
3. Assigned staff members will escort children to their appropriate buses. **Again, bus tags must be visible on each child's backpack.**
4. Children will not be let off at any stop other than the one listed on their bus pass. If you wish to arrange play dates or activities after school, please plan for transportation that does not require a change in bus stop.
5. Barring unforeseen events, the classroom teacher must receive any changes in your child's normal dismissal routine in writing. If someone other than yourself (or the person that traditionally picks up your child) will be picking up your child, you must indicate their name in the note. **We will ask everyone for photo identification.** Please understand that this policy is in the best interest of your child's safety. If you must pick up your child from school, please come to the Security Desk at least 15 minutes prior to dismissal time (3:24) to sign your child out. Please do not expect that your child be taken off the dismissal line or the bus. This causes confusion for teachers, bus drivers and children.

LAP STUDENTS:

All children attending the **Levittown After School Program** will be directed to report to the Cafeteria at dismissal time, where they will be met by LAP personnel. Attendance will be taken at that point. If you are interested in the LAP program, please contact Mr. James Centonze at 516.434.7450 or consult the Levittown website.

SCHOOL BREAKFAST:

Abbey Lane will continue to offer "grab & go breakfast." The price for breakfast is \$1.35. Please note that Abbey Lane doors will not open earlier than 9:04AM for breakfast. Breakfast will be purchased on the way to class. LAMP students may also purchase breakfast. Please let us know if you plan on using our grab and go option.

SCHOOL LUNCH :

School lunch will be offered to students who wish to purchase it at the cost of \$2.75. Please see the Lunch Menus section at the top right-hand side of the district website (www.levittownschools.com) to access lunch menus and the online MySchoolBucks lunch payment program.

REPORTING ABSENCES:

Please call the school nurse when your child will be absent. You may do this at any time using our voice mail system. Dial 516.434.7400 & choose option #1 for the Health Office. You may leave a message. It would be most helpful if you inform us prior to 9:10 AM. Please give your child's name and reason for absence. You must provide the classroom teacher with a written note explaining the absence upon your child's return to school. This is a requirement of New York State.

MISCELLANEOUS:

As you may know, traffic flow and parking can be an issue at Abbey. Please be mindful of our neighbors when parking near our school and **kindly do not block the driveways on Gardiners Avenue**. When on campus, please park in designated parking spaces and refrain from parking alongside our driveway and letting children out of the car. This creates an unsafe condition. Last, for those families that walk their children to school, please note that dogs are not permitted on school grounds. Thank you for your anticipated support.

Please remember that the school day ends at 3:24. After that time, supervision and safety becomes a concern. We ask that you pick your child up on time. If timeliness is an issue, please make any arrangements necessary to ensure a prompt pick up, or register your child for the LAP program.

Thank you for your anticipated support.

Dear Parents and Guardians:

It is with great enthusiasm and pride that I assume the role of Superintendent of Schools. Having started my career as a social studies teacher at Division Avenue High School in 1995, it is truly an honor to be selected to lead the district I have called home for most of my professional career. With 27 years of experience as a public educator, I am eager to build upon the work of my predecessors to continue moving the district forward. I would also like to sincerely thank the many community members who have reached out with congratulatory messages.

In addition, please join me in welcoming the two newest members of Central Office: Dr. Beth Ziropiannis, Assistant Superintendent for Curriculum and Instruction, and Mr. Michael Fabiano, Assistant Superintendent for Business and Finance. They bring with them many years of experience, exciting ideas, and a fresh perspective. In becoming part of the team with Debbie Rifkin, our Assistant Superintendent for Human Resources, I do believe we are in an excellent position to enhance the opportunities we provide Levittown students.

Our district has always prided itself on ensuring "Success for Every Student." We will continue to do that by focusing on the needs of all of our students. Whether they seek to pursue post-secondary education, select to enter the workforce on a particular career path, or decide to join the military service to defend our nation, we will do everything we can to support their goals and dreams. As part of that process, please look out for several surveys that will allow us to collect feedback from students and parents, as we plan for the future of our school district.

I hope you enjoy the remaining weeks of the summer. I look forward to serving you, your family, and the entire community. Most importantly, I wish your children much success in the upcoming school year.

Be well,

Mr. Todd Winch

Dear Parents/Guardians,

In 2010, New York State passed the *Dignity for All Students Act (DASA)*. This law went into effect on July 1, 2012 and protects students from harassment, discrimination and bullying by other students or school employees. It stipulates that no student shall be subjected to discrimination based on his or her *actual or perceived* race, color, national origin, ethnic group, gender identity, or biological sex. DASA explicitly states that bullying, taunting, and intimidation on the protected grounds listed above are all forms of harassment; however, it is not limited to those categories.

Harassment under DASA is defined as the “creation of a hostile environment by conduct or verbal threats, intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student’s education performance, opportunities or benefits, or mental, emotional or physical well-being...”

Bullying under DASA is defined as “hostile activity which harms or induces fear through threat of further aggression and/or creates terror”. Bullying may be subtle or easy to identify, done by one person or a group. Bullying often includes a real or perceived power imbalance, intent to harm, threat of further aggression.

Cyberbullying under DASA is defined as “the use of technology to harass, threaten, embarrass, or target another person”. Examples of cyberbullying include; mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

In response to this new law, and following the recommendation of the NYS School Boards Association, Levittown Public Schools reviewed its policies related to student conduct and social-emotional learning. All necessary updates were made and subsequently approved by the Board of Education. These updates are now included in the Board Policies as well as the Code of Conduct for students and include complaint forms, all of which can be found on the school website on the Board of Education page. The District will continue to review its policies to ensure that the most stringent procedures are in place to deal with these issues.

Dignity Act Coordinators have been appointed in each building. They are the building principal and social workers, who have been specially trained. The process for filing a concern is available on the school website or can be picked up in the main office of your school. Every reported incident of bullying should be recorded and documented.

Dignity Act Training has been given to all employees and will continue throughout the school year. The District will continue to deliver its curriculum to promote civility and citizenship, and as is always the case, a partnership between home and school is essential.

Please continue to visit the school website at www.levittownschoools.com and follow the instructions for continuously updated information.

Sincerely,

Debbie Rifkin

Dear Parents,

The safety of our children is the top priority of the Levittown School District. This letter outlines the major safety drills, code of conduct and sex offender notification system used throughout our schools.

In the summer of 2000, the New York State Legislature passed the S.A.V.E. Act, Safe Schools Against Violence in Education. This act is one of the most comprehensive regulations in the nation seeking to address school safety and violence prevention. The legislation covers several specific areas of concern which each district must address.

One such area is the development of a comprehensive School Safety Plan. Our District emergency plan, as well as detailed information about our safety drills including the annual Sheltering/Early Dismissal Drill, can be viewed on our District website under *Parent Resources*.

Another area outlined in the S.A.V.E. legislation is the District Code of Conduct, which is required for the maintenance of order on school grounds. The summary of our Code of Conduct, which must be distributed to all parents as required by law is included with this letter for your review. The entire Code of Conduct can be viewed on our District website under *Parent Resources*.

The Levittown School District uses an e-mail notification system developed by Parents for Megan's Law (PFML) for sex offender notifications. Funded by county, state and federal governments, PFML is a not-for-profit organization dedicated to the prevention of childhood sexual abuse through the provision of education, advocacy, counseling, policy and legislative support services. Subscribers to PFML's e-mail alert system will be notified when a moderate or high-risk sex offender moves into the area. This service is provided to residents at no cost. To sign up for this email notification, go to the district website and click on *Parent Resources*.

Lastly, on September 13, 2010 The Dignity Act was signed into law and took effect on July 1, 2012. New York State's Dignity for All Students Act (The Dignity Act) seeks to provide the State's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment and bullying on school property, a school bus and/or at a school function. To find out more about this important legislation and what the District does to promote an environment where students feel safe, valued and connected, go to www.levittownschoools.com.

If you have any questions related to student safety or for further information regarding The Dignity Act, please visit our Levittown Public Schools Website or you may contact my office. Good luck in the upcoming school year!

Dear Parents:

We have implemented the process of updating all parent email addresses in our student management system. Our goal is to increase the use of email as a communication tool and reduce our reliance on Connect Ed telephone messages. To that end, please be sure to review the email on file on the enclosed *Emergency Contact Information Card* and provide any necessary updates.

At the High School level, we are also asking for you to include the cell phone number of your child. This will allow us to send out messages directly to our high school students in case of an emergency that occurs while students are off-campus (For example: during lunch or if students are traveling from out-of-district programs, etc.). It is yet another way we can help to ensure the safety of all of our students.

Thank you for your assistance!

Enjoy the rest of the summer and best of luck to your family this fall.

Town of Hempstead School Bus Safety Program Launch

Dear Parent,

As our students return to school this September, Levittown Public Schools is proud to announce the start of a new School Bus Safety Program in partnership with the Town of Hempstead, and in line with NYS Vehicle and Traffic Law 1174-A.

As part of the program, all Levittown owned school buses will be outfitted with safety technology to make the ride to and from school safer for everyone. This technology includes stop-arm enforcement cameras designed to detect vehicles that illegally pass stopped school buses while the bus's stop sign arm and red lights are engaged. The Town then reviews the footage to determine whether to issue a violation by mail.

The safety of our Levittown children is, and always will be, our top priority. The New York Association for Pupil Transportation estimates that motorists illegally pass stopped school buses in New York State 50,000 times a day, and Levittown is no exception. Over time, this safety initiative seeks to curb dangerous driving behavior around school buses.

All this technology has been provided at zero cost to the school district and its taxpayers. This program is 100% violator funded.

If you would like more information, we invite you to review it on our district website at www.levittownschoools.com.

We look forward to seeing you this fall for the return to school!

Dajuana Reeves-Alston
Supervisor of Transportation

Dear Parents:

Our District Wide Safety Plan references specific responses to crisis situations. Our responses will help us prepare for a variety of different emergencies. Each school year, these drills are practiced by students and staff to ensure their effectiveness. In many instances, these drills are conducted in cooperation with the 8th or 1st precincts of the Nassau County Police Department. Below you will find a brief description of each drill.

Emergency Drills

In accordance with NYS Education Law, schools are required to hold twelve emergency drills per year, four of which must be lockdown drills, and the remaining eight are required to be evacuation drills. Eight of the required twelve drills will be completed by December 31st.

Emergency Sheltering Drill & Early Dismissal Drill (District Wide)

The Commissioner of Education and the Board of Regents require all school districts under Section 155.13 of the Commissioner's regulations to conduct an **emergency sheltering drill** and early dismissal drill each year. Students will be dismissed from school early. **Due to COVID-19, all dates, times and procedures are subject to change at the direction of NYS Education Department.**

On **November 10th, 2022** approximately 20 minutes before dismissal (3:08 PM elementary schools, 2:35 PM for Middle Schools and 2:05 for High Schools**) students will be assembled in the designated sheltering areas for their building. **Approximately ten minutes before the end of the day (3:18 PM elementary, 2:45 PM middle and 2:15 for high schools) students will be dismissed.** Transportation will be adjusted on that day for all students who are eligible for bus services. All parents should make necessary arrangements to ensure adequate coverage for their student's arrival home ten minutes early. All after-school activities including the LAP program will **not** be canceled.

Lock Out Drill

This is a procedure that allows the school to continue with the normal school day but curtails outside activity and allows no unauthorized personnel into the building. The "lock out" is most commonly used when the threat is general or the incident is occurring outside the school building or on an off-school property.

Initial notification to persons in parental relation and staff

Dear Parent, Guardian and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year. The Levittown School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72 hours following an application
- Anti-microbial products
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children
- Nonvolatile insecticidal baits In tamper resistant bait stations in areas inaccessible to children
- Silica gel and other nonvolatile ready-to-use pastes, foams or gels in areas inaccessible to children
- Boric acid and disodium octaborate tetrahydrate
- The application of EPA designated biopesticides
- The application of EPA designated exempt materials under 40CFR152.25
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps and hornet.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hours prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the Levittown School District, Director of Facilities, Chris Milano, 850 Seaman's Neck Road, Seaford, NY 11783, Phone 516-434-7555, Fax# 516-520-8347 cmilano@Levittownschoools.com.

Dear Abbey Lane Families,

On behalf of myself and the Abbey Lane PTA Executive Board, I would like to welcome new and returning families to the start of another amazing school year. With the 2022-2023 school year approaching, we are excited to kick off our new school year with our Welcome Back Picnic on Friday, September 16th! The PTA hosts many events throughout the school year. We are looking forward to seeing our returning PTA members as well as new ones. Abbey Lane continues to be successful year after year from the support and involvement of our members, families, staff and community.

There are many ways to support the PTA. The easiest way is to become a member! Simply scan our QR Code and you will be directed to our Memberhub! You can also fill out our membership form and send it in with your child. When you join the PTA you will be the first to know our upcoming event information, meeting information, volunteer registration and so much more!

We are eagerly looking forward to our in-person monthly meetings at Abbey Lane. Our first meeting will be held in the Abbey Lane cafeteria on **Wednesday, September 14, 2022 at 7pm**. You will have the opportunity to meet our Executive board and be informed about all our upcoming events for our 2022-2023 school year! We will also discuss our committees and how you can help to volunteer for them. The Abbey Lane PTA hosts multiple fundraisers each school year. They include, book fairs, picture day, field day, dances, holiday sales, just to name a few! All of our events depend on all of our volunteers. When you volunteer, you help create amazing memories for your child as well as experience all the activities alongside them. There are many different ways to volunteer and our Executive board will help you find the right committee for you! We encourage our Abbey Lane community to join us for our first meeting.

Please join our private Facebook group that will provide you with the most up to date information. Simply scan the QR code to be brought directly to our group page.
