III. PUBLIC BE HEARD

Katrina Hall, 14 Wing Lane Levittown: Unmask our students. *"Decisions on medical interventions, which mask wearing falls under, should be the choice of the parent."*

Dr. Christine Maffia, 3728 Hunt Road, Wantagh: Unmask our students. *"Unmask the kids, let them be optional. It should be parent's choice, not the government."*

Maureen Wicelinski, 15 Sprucewood Drive, Levittown. Unmask our students. *"As an educator for 38 years, knowing the importance of being understood and people being able to comprehend you is very instrumental to the skill of reading."*

Jill Pinner, 371 Blacksmith Road, Levittown: Unmask our students. *"I just want you to allow us to have the right to unmask the children that want to be unmasked. Parents want their choices."*

Danielle Gradotzke, 55 Woodcock Lane, Levittown. Unmask our students. *"Instead of taking advice from an institution that has no right to mandate anything (the CDC), we let the parents of the children going to school this year make our own decisions."*

Theresa McNulty, 17 Redpoll Lane, Levittown. Unmask our students. *"The damage these restrictions have caused far outweigh any threat from COVID. Please give parents the choice".*

Donna McKenna, 93 Cord Lane, Levittown. Mask our students. *"With the increase in class sizes due to cancellation of remote learning, the removal of desk barriers and the surge of the Delta Variant, I don't see how our children can safely be unmasked."*

Elizabeth Mintz, 1068 Barrie Avenue, Wantagh. Mask our students. *"With no remote learning option, if masks are not required, you will be putting students who are disabled, immunocompromised and otherwise high risk and those with family member in those categories, most at risk."*

Peilin Hsu-Brennan, 31 Wood Lane, Levittown. Allow remote learning & mask our students. *"Remote schooling would be optimal, however masks is also part of the first line of defense when it comes to reducing exposure risk, but this has to be done as a group. Mitigating the risk of exposure will not be effective when the masks are optional."*

Jennifer O'Doherty, 1196 Garden Place, Wantagh. Unmask our students. *"They are being damaged socially, emotionally and they are getting an inappropriate education and it's time to give them back their childhood and it's time to give them back their education in an appropriate way."*

Frank Jurs, 297 Willowood Drive, Wantagh. Unmask our students. *"You represent us as parents. Whether you side with parents who want to have control over what their children do or side with parents who want to have control over what other people's children do. That's your decision to make, that's why you were elected."*

Keri Sabella, 36 Rosewood Lane, Wantagh. Unmask our students. *"You have the power. Now's the time to use that power. If the parent's say "give the parents choice", then make it parent choice."*

Robert Bruno, 86 Slate Lane, Levittown. Unmasking our students. *"Let the kids go back to school normal. Why are we making our kids wear masks? There is no threat."*

Ivona Malpelli, 23 Rainbow Lane, Levittown. Unmask our students. *"Those masks don't work. So if somebody here says give the parents the choice, please give us choice because some kids are really struggling."*
