II. REPORTS

A. Recognition

i. Art Display - Salk Middle School

Ms. Messina asked everyone in attendance to admire the beautiful, colorful artwork around the room, done by the students of Salk Middle School.

Representatives of the Levittown Muslim Community, in celebration of the upcoming EID holiday, thanked the District and Board members for acknowledging the importance of designating May 3rd as a recognized holiday and presented gifts to the Board of Education.

ii. SCOPE Awardees - In Auditorium – Mr. Winch honored SCOPE award winner, Tonie McDonald, Jennifer Messina and Robert Koenig and thanked them for their continued service to the Community.

iii. Eagle Scout and Gold Award Honorees - In Auditorium

Mr. Winch recognized students who have dedicated themselves to making a difference in the lives of others through scouting. *“The Girl Scout Gold Award is the highest achievement within the Girl Scouts of the USA. It focuses on leadership, career exploration, personal growth, and community action. Only about 5% of eligible girl scouts successfully earn the Gold Award. Through pursuing the Gold Award, Girl Scouts change the world by tackling issues they are passionate about to drive lasting change in their communities and beyond while they learn essential skills that will prepare them for all aspects of life. The key element of the Gold Award is the “Take Action project” which requires a minimum of 80 hours to bring the project to life. Tonight we are proud to recognize two Gold Award recipients from Levittown Schools:*

Priya Dubey who created a library for students in India with Tutoring from her peers in the USA.

Rhythm Osan who addressed the issue of cultural divide by teaming up with a community positive group at my school to host a cultural fair.

Eagle Scout is the highest rank attainable in the Scouting program of the Boy Scouts of America (BSA). The designation, founded over one hundred years ago, is achieved by only four percent of Boy Scouts across the country. The requirements necessary to achieve this rank takes years to fulfill and include 21 merit badges and an extensive service project that the Scout plans, organizes, leads, and manages. Tonight we are proud to recognize five Eagle Scouts: Lea Feiner, Samuel Feiner, Nick Civil, Russell Silberger and Luke Tordy:

Lea Feiner beautified a room for cats in the Wantagh Animal Shelter

Samuel Feiner replaced a fence between an Elementary School and a Daycare Center in Plainview

Nick Civil beautified the outside of Salk Middle School by planting flowers.

Russell Silberger built beautiful Garden Beds at Levittown Memorial’s Outdoor Learning Center as well as improved the butterfly garden and helped clean out the overgrowth of weeds in the pond

Luke Tordy built feeding stations in the K-9’s dorms and improved the outside area for the dogs at K-9 Companions for Independence in Medford. He also supplied K-9 Companions for Independence

with food and supplies with money he received by fundraising. Congratulations to all the distinguished awardees.

iv. **Autism Awareness Recognition - In Auditorium**

In recognition of their continued efforts for Autism Awareness, Mr. Sheehan recognized Mr. and Mrs. Vin Causeman. *“It is with great pleasure that I take advantage of this opportunity to elaborate on the more than well-deserved recognition Mr. Vin Causeman, along with his lovely wife Dawne, received for their unwavering and tireless commitment in their role of helping raise awareness of Autism. It was once stated, “Dedication and commitment are what transfers dreams into realities”. For the past 11 years, both Vin and Dawne have fully committed themselves to not only helping raise awareness of Autism in our community, but have embraced the role of being ambassadors of awareness and acceptance that are becoming realities everywhere. On October 29, 2021, the Nassau-Suffolk Autism Society of America honored Vin and Dawne for their integral and passionate role in raising money for the organization. Specifically, through our T-shirt fundraising campaign spearheaded by Vin, over the past 11 years this campaign helped raise over \$100 thousand, and as a result, the Levittown School District is the highest earning school district on all of Long Island for the organization. Simply put, Vin and Dawne are the quintessential role models for helping to raise and provide awareness and acceptance for students with autism, and for that, I sincerely thank them. And I’d be remiss if I didn’t mention that back in April of 2020, which was the height of COVID shutdowns and restrictions, throughout the entire month, Vin drove all over Long Island and personally delivered every single Autism Awareness T-shirt order to anyone who ordered one - which were in the hundreds! Talk about commitment and dedication, and as exhausted as he was, he never, ever showed it! As you can see these are two phenomenal individuals, so congratulations Vin and Dawne on your prestigious and well deserved recognition, as we are all in a much better place because of all your hard work and dedication in helping raise awareness and acceptance of Autism. Thank you.*
