Khalil Garrett - MacArthur High School:

Since our last meeting, we had a lot of spectacular and fantastic events and ceremonies in General Nation. On April 28th, we conducted a magnificent spring concert featuring the symphonic band under the direction of Mr. Joseph Romano. The beautiful sounds the band played had everybody dancing in their seats. Congratulations to all the members of our symphonic band and to Mr. Romano on a fantastic show. On May 24th, we conducted an extremely entertaining Spring concert 2 which featured the amazing sounds and talent of our orchestra and chorus. Kudos to Mrs. Levenberg and Ms. Musial along with all the members of our orchestra and chorus for their uplifting performance. On Memorial Day, our marching band under the direction of Mr. Romano participated in the annual Levittown Memorial Day Parade. It was a beautiful day and the band sounded amazing. As you can see our musicians stay booked and busy. That's the true General way. However, our musicians and singers are not the only ones excelling. On May 25th, we showcased the amazing art work from our talented students in our annual art show. If you had the opportunity to witness the incredible work of our students, I know you'll agree that our students are beyond talented. Special thanks to Art teachers, Mr. Bobal, Ms. Briskin, Ms. GomezVance, Mrs. Muir, and Mr. Merz for putting the show together and for making it such a huge success.

On April 29th, the junior class celebrated a beautiful Junior Banquet together. Everyone looked beautiful, the food was delicious, and everyone danced the night away. Special thanks to junior class advisor Ms. Mignone for putting this beautiful event together as all juniors had a fantastic time.

On May 20th, for the first time in two years we conducted our extremely popular Senior Variety Show. All the acts put on a magnificent performance for our packed house and as Mr. Sheehan said it was awesome to feel the energy and excitement back in the Senior Variety show. Special thanks to me, Khalil Garrett, Gisele Encarnacion, Kate Irwin and Gianna Cacace for choreographing the coveted Peer Leader

On June 3rd for the first time in a long time we conducted our extremely popular and energetic Battle of the classes which featured all 4 grades going head to head for the coveted crown of top class. Our participants in each grade battled each other in events such as the scooter race, pizza box relay and balloon race relay just to name a few. The energy and passion was at an all-time high and at times the gym was literally shaking with the high volume of cheers. At the end of the night, it pains me to say that the junior class came out as champions. Congratulations to the juniors on being the Battle of the Classes 2022 champions. To continue, this coming Friday our senior class will be at the Crest Hollow Country Club to participate in our Senior Prom. To say that everyone is extremely excited would be a major understatement. It is guaranteed to be a fantastic time.

From May 2nd, through May 13th, we conducted a successful administration Of our AP exams, where we utilized the gym and library. I am confident that all students who took an AP did exceptionally well. On May 26th, we honored an amazing 95 seniors for their high academic achievement at our annual Generals breakfast. Each academically gifted student had the opportunity to share with everyone what college they will be attending and what their favorite memory of MacArthur High School is. Special thanks to Guidance Chairperson Mrs. Hammer and all the members of our guidance department for providing a delicious breakfast and great experience. On June 2nd, we had a beautiful senior breakfast and graduation rehearsal for all graduating seniors and later that evening we conducted our annual senior award ceremony where we handed out close to 200 scholarships and awards to well deserving seniors. On June 4th, Dr. Friedman and Mr. Zausin accompanied members of the science research team to the Mid-Atlantic Regional Chemigation tournament at the State College of New Jersey. For the first time, since our participation in this prestigious tournament, we walked away with a first-place prize. Congratulations to Natalia Pszeniczny and Matthew LaSusa for capturing top honors. I would also like to congratulate Nicolas Sappy, Natalia Pszeniczny, and Ana Compton for participating in Princeton University's Ignite STEM workshop last month where they focused on using designed thinking approaches to tackle real world issues related to smart cities. All three students said it was an amazing and worthwhile experience. In speaking of science research, congratulations to member Mia Fratura, as her research paper titled, "From Philadelphia to Portland, the American climate in 1897" has been formally accepted for publication in the American Association of Geographers Middle States Geographer Journal. Congratulations Mia on your amazing accomplishment. To continue, from June 15th through June 23^d we will administering our State regents exam. Grace will work with a nurse educator to discuss her career goals and develop a personalized calendar of nursing experiences. Best of Luck to Grace.

I'd also like to congratulate all of our Spring Sports teams as they all were extremely competitive and made a long run into the playoffs. But please join me in congratulating the Track and Field team as they brought home several county championships. Dylan Vergas in the 400m hurdles , the Boys 4x400 relay
