Division Flag Football – Conference Coach of the Year, Victoria Piscitelli was honored along with her outstanding student, Olivia Agunzo. Coach Piscitelli had these words to say about her team and Olivia: "The girls ended the season as being undefeated conference champs and placing 3rd in Nassau County. They also received the scholar athlete award for achieving academic excellence while participating in a varsity sport. I couldn't of been more proud of outstanding performance this season. But there is one person I would like to put the spot light on and that's Olivia Agunzo. What an incredible pleasure and honor it was to coach Olivia this year. As I sit here contemplating the questions, "How has this athlete contributed or impacted our team"? And what comes to mind is, "how has she NOT contributed and impacted our team in a positive way?!" The amount of dedication, determination and integrity she carries with her on and off the field speaks volumes to the

person she is and how she has been raised. She is always for the TEAM, not herself. Never afraid to ask questions or help another player. To be a leader it takes listening, a lot of listening, work, grace, being coachable, dependable, humble, sacrifice, putting in hours that no one else sees, picking your

head up even when it's the last thing you feel like doing, and the list goes on and on. THIS is who she is... a LEADER. Her drive and competitive edge brought the best out of herself and her teammates during this season. Her unique skills, insights and contributions she brought to the team was always recognized. What she was able to accomplish this season was nothing shy of amazing. Olivia is very deserving of All County, Offensive Player of the Year Award and the Blue Dragon Award. Her dedication and enthusiasm to the sport will never be forgotten. Olivia you deserve this honor. I'm proud of you and wish you the best of luck in your future endeavors. Congratulations.

John Coscia introduced Division Assistant Baseball Coach Steve Robins who recognized the players who had a remarkable regular season record of 20-0. They ended up County Conference 3 champions and Class A County Champions. Conference Coach of the year, Bobby Fehrehbach, recognized his coaching staff as well as his players as they became Nassau County Champions for 2023. All students were awarded Certificates by the Board of Education and Central Office.

ix. Student Liaisons - In Board Room

Superintendent Todd Winch acknowledged the Student Liaison's to the Board of Education and Superintendent's office. "This last recognition tonight is somewhat bittersweet. You may remember back in the fall Mr. Coscia and Mr. Sheehan joined us to share the stories of our two new Board Liaisons. We have been lucky over the past ten months to be graced with their presence, providing updates from our two high schools in order to enhance the connection between our governance team and our students. Those updates have been both informative and entertaining. We appreciate the time they have dedicated to our board meetings and want them to know we will miss them. After June their stories will continue elsewhere. Chris Evans from Division will be attending Boston University for Economics. And Jack Maurer from MacArthur will be attending Georgetown University in the fall, and is currently undecided on his major. We wish them success and happiness as this chapter closes and another one opens. Please join me in congratulating and thanking our Board Liaisons for the 2022-2023 school year, Chris Evans and Jack Maurer.

**Jack Maurer - MacArthur HS** - On April 27th our dynamic symphonic band, under the direction of Mr. Romano performed several outstanding pieces at our Spring concert for all to enjoy. From May 1st through May 12th, we successfully administered a total of 899 AP exams. On May 16th, we conducted our first ever Breakfast of Champions which was spearheaded by our school climate committee and our co-advisors Mrs. Porris and Mrs. Sanford. We recognized 43 incredible students that were nominated by their teachers because they are respectful, polite and compassionate young adults who have raised the morale in the building simply because of their genuine and sincere positivity. They are a true testament to General Nation. We conducted our annual art show on May 17th in the small gymnasium, where we illustrated all of the beautiful and magnificent talents of our art students. Thanks to the amazing art teachers, Mr. Bobal, Mrs. Briskin, Mrs. Gomez-Vance, Mr. Murs, Mrs. Muer, and Mrs. Maza. Senior variety show was held on May 19th, showcasing the talent of our seniors. A big thank you to Mrs. Reynolds, Mrs. Bissoondial, Mrs. Crystallo, the lighting and sound crew and the staff members who volunteered to participate. The final spring Orchestra and Chorus concert of the season took place on May 23rd. Kudos to Mrs. Musial and Mrs. Levenberg as well as all of our talented students for putting on a spectacular show for all to enjoy. Generals Breakfast on May 24th honored an astounding 119 senior academic standouts for excelling in the classroom over the past 4 years. Special thanks to our guidance chairperson Mrs. Hammer, all of our guidance counselors and of course to our academically gifted seniors for this special breakfast. Memorial Day 2023, under the direction of Mr. Romano and MacArthur Color Guard, under the direction of Mrs. Regan, marched their way down Hempstead Turnpike in the annual Levittown Memorial Day parade. More senior activities included our Senior Breakfast on 5/31, where each graduate received their caps, gowns and yearbooks. Immediately following the breakfast, all graduates took a stroll down memory lane by walking through the halls of Salk Middle School for the senior clap out and were able to reminisce back to the good ol' days. Special thanks to Mr. Z and the entire faculty staff and student body of Salk Middle School for greeting all graduates with thunderous applause and well wishes. For the seniors this will be a memory that will last a lifetime. June 1st was the very successful senior awards ceremony on our turf field. It was a beautiful night, both weather-wise and due to all the accolades our deserving graduates received and were honored for. Congratulations to all deserving seniors and of course to our scholarships and awards coordinator Mrs. Mirando, as well as our Master of Ceremonies, Assistant principal Mrs. Rao. The following evening on June 2nd, we had our beautiful senior prom at the Crest Hollow Country Club. 380 students attended this special event and all had a fabulous time. Just a reminder, the last day of instructional classes will be this coming Friday,

June 9th. In class final exams during regular class instruction, began on Monday and will conclude this coming Friday. Block time regents exams will be administered from June 14th through the 22nd, where a complete list and schedule of these exams is posted on the MacArthur HS homepage along with the busing schedule. Best of luck to all test takers. We just concluded a very successful spring sports season in General Nation. All teams competed with the heart and determination that makes all Generals proud and I'd be remiss to mention that in track and field, our Girls 4x400 meter team made up of Carly Krapowski, Caitlyn Barry, Yissable Perillo and Angelina Widmer finished the season as Nassau County Champions in this event. Special shout-out to Dylan Vargas for breaking the school record in the 400m hurdles and to our girls softball team for capping off their season as Nassau County Champions. Way to Go Generals! And Finally, but certainly not least the class of 2023's Graduation Day is Saturday June 17th at Hofstra University beginning at 1 PM. I still cannot believe the time has come.

And I would just like to say that the experience of being the Board's liaison, representing MacArthur High School this academic year has been a phenomenal experience for me and I am so grateful for the opportunity to present my reports which is shared with the beautiful Levittown community. This will be an experience that I will never forget, and I would just like to extend my sincere appreciation to all the members of the Levittown board of education as well as Superintendent, Mr. Winch, and his administrative team for this opportunity.

**Christopher Evans - Division Avenue HS** - Division Avenue High School hosted Spring concerts with the Band and Orchestra performing on May 15th and the Choir and Jazz band following with performances on May 23rd. In related news, the String Orchestra participated in the NYSSMA Major organization Festival at Hofstra on May 24th and received the highest ranking possible of "Gold with Distinction." This was a first for the DAHS String Orchestra. On May 24th Division Avenue hosted its annual art show with hundreds of visitors being treated to a display of the amazing talents of the students in the art program. The art show continues to be a shining example of how Division students exceed expectations with the support of great teachers. Also on May 24th, students in Ms. DiRusso's and Ms. Murphy's "College Writer" classes visited Summit Lane elementary school to read originally composed children's books to students in kindergarten through second grade. On June 2nd hundreds of students and staff members gathered in the gym for Division's annual culture fest. Students wore traditional clothing of their cultures, prepared typical foods and presented information about their heritage and culture to the interested visitors and their fellow students. Every year the tradition grows larger and more students get involved. Thank you to Ms. Wheeler and the PosiDiv club for organizing and growing this event! On June 5th Seniors took part in a "Senior Clap Out Ceremony" at each of the elementary schools they attend within the district. Students boarded busses to each school and processed through the halls to the cheers and clapping of their former teachers and the students. The seniors were led by elementary student-musician drum lines in each building. The event was a fun and nostalgic experience for everyone involved. On June 6th Seniors and their families gathered in the auditorium for our senior awards ceremony where 123 students in the class of 2023 were presented with awards and scholarships for academics, extracurriculars and strong character. For the first time we have 52 students receive the seal of Bi-Literacy and 64 students receive the Seal of civic readiness. On May 25th, the CD program participated in field day events. It was a morning of fun and excitement. The students participated in an obstacle course, corn hole, Bocci and more! Special thank you to Mrs. Walsh for organizing a great day. On Monday evening, members of the Tri-M Music Honor Society hosted their 6th annual Acoustic Cafe. Students and faculty performed beautiful music in the Foglia Garden. All proceeds will be donated to the Harmony Program-a NYC based foundation that provides after school music education opportunities for under privileged schools. A job well

done to all involved! DAHS congratulates Alex Gao on winning the 2023 Nassau County District Attorney's SHIELD award presented to high school juniors who showed outstanding character, commitment to self-growth and the spirit and initiative to bring about positive change in the community. DAHS also wishes to congratulate, Junior, Armaan Singh who was selected as one of the recipients of the prestigious Rensselaer Medal and scholarship award. This merit scholarship is worth \$30,000 per year, guaranteed for all 4 years and is awarded for promising students who have distinguished themselves in mathematics and science. DAHS also wishes to congratulate Abigail Montes for her recent success and recognition in Art. Abigail was selected to have her art displayed in the annual Long Island's Best Art Show at Heckscher museum and was then selected as the Virtual Visitor's Choice Award among all the works on display at the museum. This is an incredible accomplishment and distinction in itself but in addition to that Abigail recently had artwork selected to be displayed in the United States Capitol building in Washington D.C. Abigail's piece, titled "Oceana," was selected by the office of the 4th District Congressman, Anthony D'Esposito to be put on prominent display in the Congressman's office in the Capitol. "Oceana" was selected as the Top Mixed Media Piece for all of District 4. Our Orchestra received a gold with distinction rating at the NYSSMA majors for the level 5 program. That's the highest possible rating and Our highest rating in school history. On May 15th, 9 Division Avenue student-athletes were recognized for signing commitments to continue their athletic pursuits at the collegiate level. Division Avenue had several teams competing in the postseason this year after a very successful regular season wrapped up. The Softball team, the Flag Football team and the Baseball team all qualified for the playoffs. The Baseball team in particular had a very successful season going undefeated in the regular season with a record of 20-0, capturing the conference A3 title and the Nassau County Class A County Championship by dating Calhoun HS. I am honored to have been a part of these Board meetings speaking on behalf of Division Avenue HS. It's an experience I'll never forget and I'm incredibly grateful to all the Board members for presenting me with this opportunity.
