Summer Projects 2025

B&G Complex

- New asphalt parking lot and concrete flatwork, drainage, fencing, parking lot lighting, electronic gate systems, additional electrical and bathroom upgrades.

Summer Projects 2025

District Improvements

- Seven (7) renovated bathrooms (Salk and East Broadway), 18 bottle filler stations installed, 48 classrooms painted, approx 6,000 linear feet of hallways painted, 30 classroom floors abated and replaced. New basketball hoops installed at East Broadway.

Whats Next?

- Complete MacArthur and LMEC solar arrays (waiting on PSEG commissioning).
- Two new playgrounds on order for Gardiners and Abbey (late fall/early spring).
- Complete required 2025 Lead water testing (taking place late October/Nov.).
- Complete work at B&G complex (bathrooms, electronic gates, etc.).
- Continue installation of new fire alarm/PA/security across district.
- Replace track at LMEC/Abbey Lane
- Plan and prepare for next summer's capital work (Division library, MacArthur locker rooms, Salk, Summit, and Northside renovations, athletic field turf upgrades etc.

Questions?
