SUBJECT: UNLAWFUL POSSESSION OF A WEAPON UPON SCHOOL

GROUND

It shall be unlawful for any person to knowingly possess any air-gun, spring-gun or other instrument or weapon in which the propelling force is a spring, air, piston or CO2 cartridge upon school grounds or in any District building without the express written authorization of the Superintendent or his/her designee.

No student shall have in his or her possession upon school premises any rifle, shotgun, pistol, revolver, other firearm, knives, dangerous chemicals, explosives, or any object, which is not necessary for school activities and which could be used as a weapon. A weapon is defined as any instrument capable of firing a projectile, the frame or receiver of any such weapon, a firearm muffler or silencer, any explosive device, or any other instrument capable of inflicting bodily harm.

Any student found guilty of bringing a firearm as defined in section 921 of Title 18 of the United States Code, onto school property, after a hearing has been provided pursuant to section 3214 of the Education Law, will be subject to at least a one-year suspension from the school. However, after this penalty has been determined, the Superintendent of Schools will review the penalty and may modify such suspension on a case-by-case basis.

Additionally, the possession of any weapon, as defined in the New York State Penal Code, on school property or in school buildings is prohibited, except by law enforcement personnel or upon written authorization of the Superintendent/designee.

Unlawful possession of a weapon upon school grounds may be a violation of the New York State Penal Law, and is a violation of School District policy and the Code of Conduct.
