

School Committee Recommended Beliefs

- Creative strategies for teaching and learning
- Helping students find their passion
- Providing a place where students grow and thrive
- Socially responsible students who grow into global citizens
- Challenging students to be culturally responsible
- Excellence in social, emotional and academic literacy

In helping students grow into socially responsible global citizens who are productive members of society, our schools provide an environment that encourages our students to be culturally responsible. Social emotional and academic literacy is essential for student success.

School Committee Recommended Policy Parameters

- ▶ We will demonstrate a proactive approach to creating a positive mindset for all members of the Levittown school community.
- ▶ We will strive for a sense of unity and excellence in all we do.
- ▶ Students and staff will respect cultural diversity and provide an accepting and safe environment where all voices are heard.
- ▶ Students will be exposed to contemporary life experiences.
- ▶ Teachers will be models of lifelong learners.
- ▶ All District employees will provide an environment of respect for each other and model a productive learning environment.
