

Summer 2021

Levittown Summer Music Program

Introduction

If your child wishes to begin or continue studying a musical instrument, Levittown's Summer Music Program might be just the right opportunity! Offering band and orchestra instruction for Grades 3-12, the program provides a head-start for beginners or enrichment for those already involved. Since the program is open to the entire district, students might make new friends with similar interests. For students who are already enrolled in a performing ensemble at school, they will also have the opportunity to showcase what they have learned over the summer at the culminating **Summer Concert on August 12th at 11:00am.**

Enrollment

The program will be open to all students who will be in grades 3 through 12 in the upcoming school year, regardless of level of ability. All enrollees must be students of the Levittown Public School District.

Musical Instruments

Musical Instruments

- As a courtesy, and upon special parental request, enrollees in the Summer Music Program may secure free use of a musical instrument for the summer in accordance with the following guidelines:
- **Instruments must be requested from the instrumental music teacher in the student's home school before the close of school in June. Students who will be changing schools (elementary to middle school or middle school to high school) should request summer instruments from the school that they will be attending in the fall.**
- Availability will be in accordance with the number of instruments in the school's own inventory. If this supply is depleted, please contact the Summer Music Coordinator at the email address below and an effort will be made to locate an instrument elsewhere. Please note, however, that since quantities of certain instruments are limited, there may be cases in which a parent may have to provide an instrument for their child.
- Priority for district instruments will be on a first-come, first served basis.
- The instrumental music teacher will ask you to fill out a Musical Instrument Maintenance Contract confirming your agreement to accept responsibility for the instrument while it is in your child's possession.
- **Continuing** Percussion students must provide their own practice pad and sticks.
- All parents must provide the assigned lesson book and appropriate basic instrument accessories.
