"Success for Every Student"

Levittown Public Schools – English Language Arts Department
Summer Readiness Resources (MS)

June 2026

Dear Parents/Guardians,

As we near the end of this school year, I am sure that all students are looking forward to enjoying some fun in the warm summer sun! In an effort to better prepare students for their incoming middle school ELA class, the English Language Arts department has provided a set of instructional and practice resources for all students entering into either Grade 6, Grade 7, or Grade 8.

Students will be able to log in to the i-Ready Instructional component to engage in personalized lessons in English Language Arts. Students can access their individualized pathway by clicking on the i-Ready link from the "Students" menu on the homepage of the Levittown Public Schools website. We have assigned a cooperating teacher, as follows, who will oversee your child's progress using the individualized program during the summer months:

i-Ready Summer Oversight for Salk and Wisdom Lane Middle Schools:
Mrs. Meghan Mastronardi- mmastronradi@levittownschools.com

If your child does not remember his or her login information, please contact the teacher listed above.

In addition to the i-Ready online platform, there are i-Ready paper-based resources and activities for reading and writing for students in grades 6-8 available on the Levittown Summer Reading web page under the **Middle School** heading. We are excited to be able to offer continued support for your child's success in ELA during the summer months. As this is a voluntary program, we encourage students to participate to the greatest extent possible. We are confident that the home-school connection in conjunction with the i-Ready program will benefit your child's growth. Below you will find information about the i-Ready online instructional program:

Program Overview:
- Seven weeks in length
- Begins: Wednesday, July 1, 2026
- Ends: Friday, August 14, 2026

If you have any questions, please contact me at 516-434-7222 or email me at kslattery@levittownschools.com.

We look forward to providing this opportunity to support your child throughout the summer and to establish a foundation for future success during the 2026-2027 school year.

Thank you,
