- **NYSSMA Overview:**
  - *Participating in the NYSSMA Festival is an extracurricular activity designed to supplement and enhance the student’s music education, not act as a substitute for it.*
  - NYSSMA (New York State School Music Association) hosts festivals each year to provide students with an opportunity to prepare a solo and/or ensemble composition for an evaluation by a professional adjudicator.
  - Participating in the NYSSMA Festival gives students a chance to challenge themselves as players and receive an objective critique of their performance.
  - The festival offers students the invaluable experience of having to present themselves in a safe “virtual” type environment.
- **Commitment:**
  - *While participating in the NYSSMA Festival can be a rewarding experience, students and their parents/guardians should carefully consider the commitment involved in preparing a solo before registering.*
  - A substantial amount of time must be devoted to practicing over the course of the months preceding the festival.
  - Depending on the level of the music selected and the ability of the student, private instruction may be a helpful resource in order to successfully prepare for the evaluation.
- **Music Selection:**
  - It is strongly recommended that students who wish to participate in the NYSSMA Festival select their music as soon as possible so they have sufficient time to find a vendor from which to purchase their sheet music.
  - Music may have to be ordered from a vendor and could take a considerable amount of time before it is received.
  - Make sure your prepared solo appears in the **current NYSSMA Manual (XXXII)** by checking with your school music teacher or private teacher.

**Fees (Non-Refundable):**

- The Levittown School District does not pay NYSSMA registration fees.
- Payment **MUST** be made online through the [MySchoolBucks.com](http://MySchoolBucks.com) website. All payments are **non-refundable**. PLEASE NOTE THAT TEACHERS WILL INPUT DATA ONTO REGISTRATION SITES.
- **If your child is planning on participating in this NYSSMA Festival, he/she must hand in the completed information form and payment by January 19, 2022. No registrations will be accepted after this date.**
- **PRINT your MySchoolBucks receipt and attach a copy to your registration form.**
- NYSSMA Piano Solo Fees:
  - Levels 1-4 Piano: \$22.00
  - Levels 5-6 Piano: \$30.00

- **Preparation:**

- Solos are graded by difficulty from Level 1 (easiest) to Level 6 (most difficult). Choose your solo carefully with the help of your music teacher.
- Students are responsible for preparing solos outside of school time. Most soloists find that a private music teacher is the best way to prepare. Teachers will be available as time permits during the school day for extra help.
- Practice must be regular and consistent.

**Additional Criteria:**

- Each instrumental student will be required to learn scales based on NYSSMA level. Check with your teacher. **All scales must be memorized.**
- A short sight-reading example will be performed.
- Solos are evaluated with several categories.
  - Tone – the quality of the sound produced.
  - Technique – the physical skill to accurately perform the music.
  - Accuracy – accuracy of notes and fingerings, bowings, rhythms, etc.
  - Interpretation – musical qualities of dynamics, style, tempo, phrasing & expression.
  - Scales (Instrumentalists) – playing the prepared scales.
  - Sight Reading – playing music you have never seen before with correct notes, rhythms, articulation and dynamics.
- You will receive your graded evaluation from your music teacher after the festival.
