### **Executive Committee Reports**

1<sup>st</sup> VP – Cindy Mulz- Committee folders have been handed out.

Welcome to Peter Porazzo – School Board member.

Pat attended the Fall Conference Treasurer's Workshop. Has copies for each unit. Taxes due 11/15 if your books closed 6/30. IRS website very helpful. Dues for Membership due 11/19. Check membership numbers from last year.

Executive Board voted earlier this evening to fill Historian position, Kimberly Smith was elected.

**Past President** – Sue Pou – First meeting of the Citizens Advisory Committee will be held on 10/21. Sue Pou will be representing Council. It is important to attend BOE meetings, let BOE know your concerns. Beneficial to all residents to be a part of the decision making process. Parents of younger children need to know how cuts will affect children as they move up through the grades.

**Superintendent's Report:** Dr. Sirois – Thank you for basket donations to Dollars for Scholars. Money raised is unknown but Dr. Sirois thinks they came close to last year. There has been a case of the Swine Flu reported at Northside. The family doctor indicated that it was swine flu but it has not been confirmed. Parents in that classroom were notified. The BOE has published Board of Education Goals. There are 10, they are far reaching and provide for the future. Two stand out – Future project – Levittown 2020. There are about 48 people on the committee. The hope is that each school is represented. It is community-wide and has many sub-committees. The other is Curriculum/Instruction. Nassau County was our standard but we have surpassed Nassau County average. 80% of our students took at least 1 AP class, 93% Regents diploma and 70% Advanced Regents diploma. November 13, David Berliner will be addressing the teachers about Standards. Halloween is on a Saturday, there will be extra security and the 8<sup>th</sup> precinct will have extra patrols. Question: Can we get more college credit classes in lieu of AP courses? Currently we have 28 AP classes. In order to have college credit courses, curriculum changes need to be made to align standards/content. Not all colleges take 3 on AP exam.

Question: Is there is District ban on home made snacks? District does not have a policy that bans homemade snacks. Principal and Shared Decision Making committee suggested healthier snacks and store-bought goods. East Broadway Principal has authority to make that policy – parents appealing decision to Dr. Sirois. Comments and discussion regarding store bought versus home made.
