Principals Report: Mr. Coscia began the meeting stating that he had no report however he was concerned about everyone is well and were doing well. What are some of the common difficulties that children were having with regards to remote learning? There was a discussion regarding regents and how it would occur in June. He discussed it was going to be trying on the incoming freshman and sophomores. It was also discussed on how it would affect the GC Tech students. No current plan regarding prom, graduations, etc. He said to postponed prom until late July or early August, but at this time cannot guarantee what would be able to occur. He also stated we do not know if there would be an in-person graduation, we can however plan for a virtual graduation. The problem if we plan for an in-person graduation it could be canceled. It was stated that the yearbook was completed, and they were currently discussing how to deliver them to the students. The parents discussed perhaps doing a drive by for their yearbooks and diplomas.
