August, 2021

Dear Members of our school community:

Even in these difficult times, the beginning of a new school year fills us with hope. New books, new pencils and new classrooms symbolize renewal, growth and excitement of what is to come.

This year, as we return fully to in person instruction, we look forward to seeing the happy faces of our children. Whether it be learning in the classroom, scoring a goal on the athletic field or performing on our stages, we hope that you and your children feel a connection to our schools.

It seems that every day we are confronted with uncertainty and doubt, but I continue to be reminded of a quote from Mr. Rogers, that has always provided me with a sense of calmness. He says, "When I was a boy and I would see scary things in the news, my mother would say to me, "Look for the helpers. You will always find people who are helping." The people who work in Levittown strive to always be the "helpers" for our school community. We hope that you will reach out to let us know how we can help our children succeed. Please refer to our School Calendar on page 8 for a list of our Department heads should you have questions or issues throughout the year.

Sincerely,

Tonie McDonald, Ed. D.
Superintendent of Schools
