

East Broadway PTA

Connecting Parents, Students, & Families

WELCOME BACK 2021-2022

Dear East Broadway Families,

Welcome back! We are looking forward to working with the staff and families of East Broadway to make the 2021-2022 year a great one. We are excited to welcome the students back and are hopeful that the ADVENTURE we are about to embark upon will be an exciting one.

This year's membership campaign will focus on "Learning is an Adventure: Together We Can Move Mountains." Our goal is to show the children that we will persevere through difficult times while leaning on our East Broadway Community. East Broadway is filled with thoughtful and creative students, parents, teachers, staff, and administration. We look forward to taking this JOURNEY together.

We recommend everyone become a PTA member. When signing up, please be sure to include your email address. The PTA MemberHub will be our main form of communication as we are trying to avoid sending papers through the school. Our top priority is reaching all East Broadway families. All contact information will be kept confidential by the PTA Executive Board.

Our goal is to continue to make East Broadway a place our children feel safe, happy, and loved. As always, your involvement is needed to help us achieve this goal. We will be sending more information out, including requests for volunteers, as soon as it is available.

Please feel free to reach out with any questions you may have, and if we don't have the answers, we will find them for you.

East Broadway PTA Co-Presidents,
Diana Centonze & Jackie Shultz
