Dear Parents/Guardians of Gardiners Avenue Students,

As we prepare for the upcoming school year of 2023-2024, I would like to extend a warm welcome back to Gardiners Avenue and also welcome all of our new students/families joining our school. We are excited to embark on another incredible school year and hope you had a delightful summer vacation filled with joyful memories shared with loved ones. Our team eagerly anticipates the return of our students and stands ready to support them on their path to success!

Additionally, our goals for Gardiners remain unchanged as we continue to prioritize creating opportunities for our students to achieve the district's overarching goal of "Success for Every Student". Please know that our school and district are dedicated to collaborating with families to foster academic, social, and emotional growth for our students both within and beyond the classroom. We look forward to working together with you and your child to support their educational journey.

In an effort to showcase and highlight the many wonderful events/activities that are taking place in our building, we encourage you to visit the district website for important updates and to follow our school/district on various social media platforms (Instagram, Twitter, and Facebook).
