Dear Parent/Guardian:

Your child may be scheduled to take one or more Final or Regents Exam during the June testing period outlined below. For the specific dates and times for each exam and busing information, please refer to the enclosed schedules.

- **Tuesday, May 27th through Thursday, June 12th** (In-Class final exams during regular class instruction)
- **Wednesday, June 11th** (Geometry Regents exam and College level math finals – see chart)
- **Monday, June 16th through Tuesday, June 25th** (Block time final and Regents exams)

Students only attend school on day/time they are scheduled to take a final/Regents exam. Students do NOT report to school on June 19th as there are no scheduled Regents on that day.

In an effort to help prepare students for end of year exams, please refer to the extra help sessions listed below. In addition, the regular extra help sessions that your child's teachers have maintained all year will still be in place. Please encourage your child to attend extra help sessions to successfully prepare for their examinations.
