

Levittown Public Schools  
Mathematics Department  
Online/Digital Math Resources – Middle School

- Below is a list of online/digital mathematics resources that will be available to our middle schools students throughout the summer months:

<u>Resource</u>	<u>Description</u>
<a href="#">Go Math! Online Resources</a> (Primary Core Resource)	<i>GO Math!</i> provides a seamless path to ensure that students can access content at appropriate levels of depth and rigor. A wealth of resources for the classroom and beyond provide the tools students need to master grade-level math skills while enhancing their abilities as problem solvers.
<a href="#">iReady – Instructional Component</a>	<i>i-Ready Learning</i> is a collection of rigorous reading and mathematics instructional resources designed to address every student’s learning needs, accelerate growth, and enable all students to access grade-level learning. <i>i-Ready Learning</i> helps to: <ul style="list-style-type: none"><li>• Deliver precise instructional pathways that are guided by <i>i-Ready Assessment</i> data</li><li>• Engage students through motivating, personalized instruction, learning games, and other resources</li><li>• Address learning gaps, provide scaffolded supports, challenge above-level students, and prepare <i>all</i> students for state and national standards</li></ul>
<a href="#">IXL</a>	Gain fluency and confidence in math! IXL helps students master essential skills at their own pace through fun and interactive questions, built in support, and motivating awards.
