**Lee Roaders (Madeline Barea, Lucas Miler, Emily LaMantia, Annabella Fahey, and Sophia Elkadi) were recognized at last night's Board of Ed meeting for their outstanding participation in this year's All County and LISFA music festivals. We are so proud of them for their hard work and dedication to music. Congrats to all who were also recognized!**

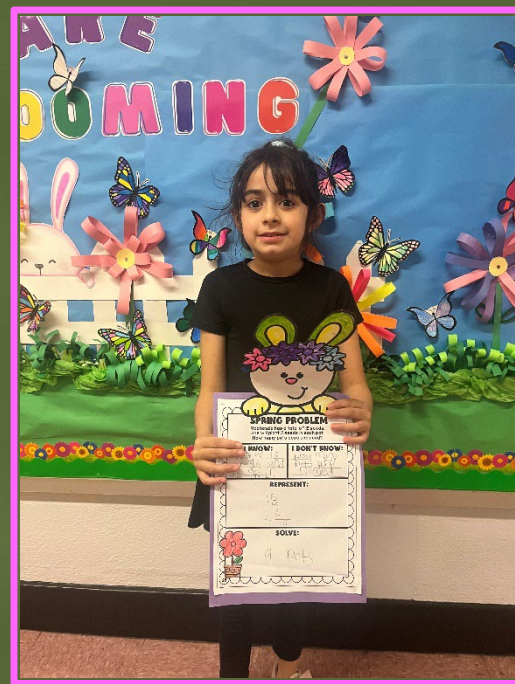

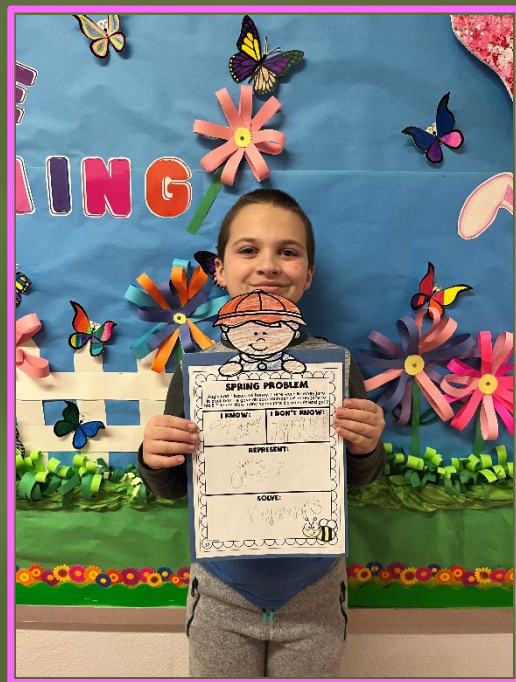

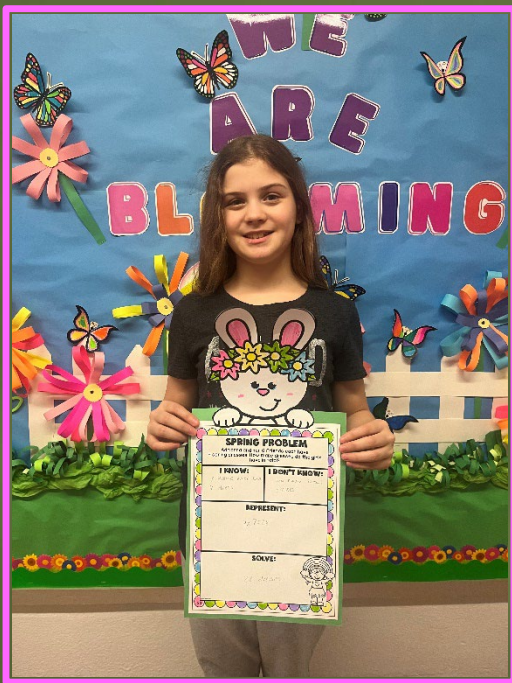

**Lee Roaders in grades K-2 were Nutrition Kings, Queens, and Knights, while older students played Door Dash to reinforce the importance of healthy eating. Healthy Snack Tag reminded the students that eating healthy snacks not only gives them more energy, it also makes them think better!**

**Ms. Dunbar's class crushed their I-Ready lessons and celebrated with a root beer float party! Hard work pays off!!**

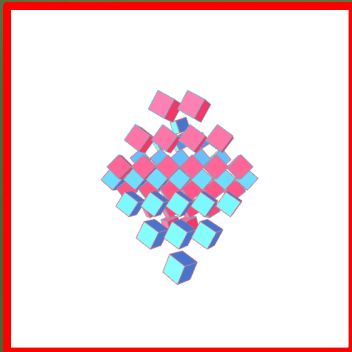

# Fourth graders found their Zen in these calming koi compositions.

**Students in Mrs. Torre & Ms. Bischof's Class learned all about the holiday of Cinco de Mayo. They read books, created piñatas and wore their own sombreros.**

**Ms. Vrachnas' 5<sup>th</sup> grade class, students creatively explore geometry by crafting their names using various shapes, showcasing their imagination and understanding of geometric concepts.**

**Vincent Petruzzeli, a fourth grader at Lee Road Elementary School, was chosen as a winning selection in the Nassau Reading Council's Young Authors Contest. The Nassau Reading Councils Young Authors Contests asks students to express themselves and tell stories about their lives by writing personal narratives.**

**Ms. Carione's (Martinez) 3<sup>rd</sup> grade class enjoyed their trip to safety town. They learned all about the ruled of the road.**

# Lee Roaders celebrating Earth Day through art!

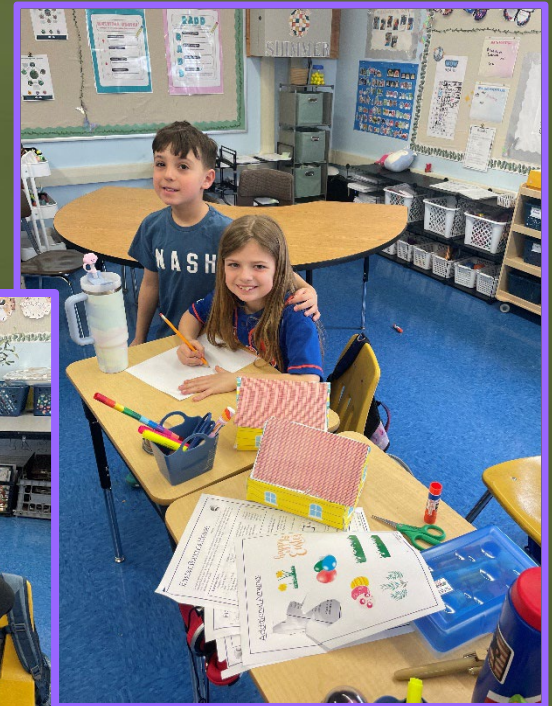

**Mrs. Marek's kindergarten class took a "five senses nature walk". Students identified things they see, hear, feel, taste, and smell during spring, then wrote a five senses poem. Students also used a mixture of shaving cream and glue and painted beautiful butterflies and flowers!**
